THE IMPORTANCE OF THIS MONTH'S BIBLE BOOKS:

What if the things God promised thousands of years ago still speak directly to what we're facing today?

In this Bible Plan, we'll journey through selected chapters of Isaiah, a book filled with prophecy, warning, hope, redemption, and promises of the coming Messiah. We'll couple Isaiah with selected New Testament passages to see how the promises and prophecies spoken in the Old Testament connect to Jesus and the fulfillment we see in the New Testament. As we read, we'll look beyond the historical context and ask, "What does this reveal about God, Jesus, and how I'm called to live today?" This study is an opportunity to slow down, connect Scripture across generations, and recognize that God's Word still speaks into our uncertainty, struggles, waiting, and hope. Join me this October as we trace the thread from prophecy to fulfillment —and discover how Isaiah still points us to Jesus today.
